A good size (16) crew showed up at Mitchells Restaurant for our spring Market Lake cleanup and included Bud & Janet Cheney. How is that for recovery! We signed our 2011 cleanup agreement, and after breakfast headed north on Lewisville Highway to Roberts then to Market lake Wild Life Refuge. The weather cooperated until we got to Market Lake then the wind came up and made putting trash into the plastic bags a wee bit difficult at times. There was a lot of birds this year and they were a bit shy of us. Had a difficult time trying to take their pictures. All my begging didn't seem to help at all. The crew did a great job and there is a lot less beer cans, cigarette butts and shot gun shells laying around after we got done. Also I didn't fall into the water so it was a good day. I want to thank Marty & Ann for all the work they do for this project, and all the members who showed up and left the area a lot cleaner than when we arrived. See you all in the Fall. Editor

Eastern Idaho's cleanup crews vehicles lined up prior to heading out to pickup trash.

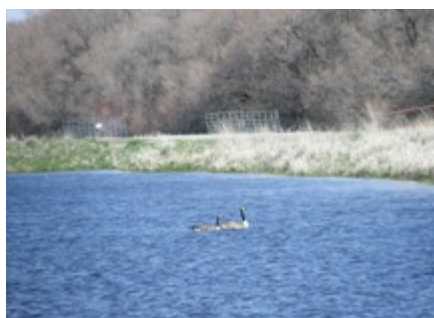

Mark & Diane working with the snow covered mountains in the back ground.

A lot of Wild Life on the water and further east of the main road we were cleaning.

One of the many Red Wing Black Birds that were on the west side of the road.

Some more Market Lake wild life residents heading for safer ground as I approached.

Beside beer cans and more beer cans Gary found a ugly dead tree. All went well for #1

PRESIDENT'S MESSAGE CONT.

Continued from page 2

June begins the car show schedule. One notable event is the Classic Car Club of America Museum Experience, scheduled for June 3-5 on the grounds of the Gilmore Car Museum in Hickory Corners, Michigan. The CCA will welcome Full Classic and non-Classic Indiana-built cars as well as the stately Full Classics from other states and countries. The weekend's schedule will include a barbecue on the museum grounds Friday evening, followed by a driving tour, automotive flea market, automotive fine art show, and car corral on Saturday, then a judged car show on Sunday. Pictures and event happenings are posted on the Gilmore Car Museum web site <http://www.gilmorecarmuseum.org/>. It's also worth pointing out that the state of Indiana at one point rivaled Michigan as the largest state in automotive industry. Companies like Stutz, Cord, Auburn, Duesenberg, Haynes, Marmon and Studebaker all called Indiana home. Mike Derbidge

Hi, I Am Bill Downs, chairman of the Blackfoot Pride Days, car show. I am attaching information about our car show coming up in July. Would you please pass this information around to club members. We appreciate any past help that you've given us, and would appreciate your attendance at this year's event.

Would you like to receive this newsletter in Full Color? If you have an "E-Mail Address" please send it to me and I will add you to the "Growing List" of satisfied colored N L recipients. With the US Postage going up each year this would help this chapter put this money to a better use.
