**THE MARKET LAKE CLEANUP SLATED FOR
SEPTEMBER 10, 2011
REQUIRES A "REVIEW BY
THE E I MEMBERS" OF THE
FOLLOWING INFORMATION**

**MCCA Safety Agenda 2009-Rev 7
Market Lake WMA Road cleanup**

This agenda is intended to provide, basic safety criteria that applies to the twice annual Club Market Lake WMA road maintenance. These criteria will be reviewed in the club meeting just prior to the scheduled clean up operation.

Most safety considerations are applied common sense that is individual responsibilities:

- *Participants must be physically able to participate. Alcoholic beverages or drugs are not permitted in the performance of this work
- *Drinking water and other liquids should be available.
- *Proper clothing, consistent with anticipated weather conditions should be worn and available.
- *Sun screen and insect repellent, should be available.
- *Road side shoulders and berms are steep and in many areas slope directly into deep water. Under the right conditions they can be slick. Care should be taken when working along these shoulders

- *Do not work alone. As a minimum two people should work together.
- *One designated member will come with a pickup, shovel and rake to facilitate retrieving hard to reach items, a first aid kit, a cell phone and other miscellaneous materials [e.g. trash bags]
- *In general, remember we are working in a rural, wildlife habitat area. Snakes and insects, while not identified as a problem in this area, are always a possibility. Be aware of your surroundings and where you put your hands and feet.

*Accidents, injuries, and any unusual observations should be promptly reported to the Idaho Dept. of Fish & Game.[Office Phone #525-7290 or cell phone #390-0615 for urgent matters]

Retrieved trash will be placed in The Idaho Dept. of Fish & Game compound dumpster upon completion of cleanup. The Idaho Dept. of Fish & Game will also provide road caution signs to be used as, necessary, during cleanup operations from the compound at the beginning of cleanup.

These requirements are incorporated in the Idaho Dept. of Fish & Game Adoption Agreement and its attached Liability Statement and will be reviewed and distributed in the Club meeting prior to each scheduled clean up activity. This Safety Agenda has been agreed to by the Idaho Dept. of Fish & Game.

**Market Lake Cleanup #2 September 10th
2011 @ 8:00 AM** Meet at Mitchells Restaurant [formerly-Tiger Truck Stop] 615 E. Iona Road--Just East of the Lewisville Highway at the Rigby Highway exit for Breakfast. prior to the cleanup. We will then proceed to Market Lake for the cleanup.

MEETING HIGHLIGHTS

No Information available this month.

Hope You had a Great

2011

PRESIDENT'S MESSAGE

President's Message for September 2011

I just can't believe that June, July and August are gone. We had very full months of car related activity and we called on the members to "lend" a hand for the market lake clean up, the swap meet, and regional tour. Thanks to all for you efforts and support. We still have plenty of activity in September – Labor Day events, the State Fair in Blackfoot, the Utah Chapter Tour around Torrey Utah, and most important is the Edgerton's apple squeeze near the end of the month.

October brings cooler weather and changing leaves but please don't forget the Bonneville Regional Meeting in Brigham City on October 8, 2011. In November we have planned the second annual Pumpkin Daze tour and in December we will have our annual Christmas Dinner celebration. There is still plenty of fun left to be had by all.

Please participate where you can. Our hobby depends on people, cars and money. Without money or "greenbacks" it's very difficult to carry on normal everyday life and even more difficult to have the hobby we all enjoy.

Did you know that this past August 15 marked the fortieth birthday of the US dollar as a "fiat" (not the car) currency—a currency backed not by precious metal (gold) but the promissory authority of the government. So since August 15, 1971 the Federal Reserve no longer exchanges dollars with other central banks' for gold at a fixed price. Now the Fed prints as much money as it needs. Forty is a mark where odd things begin to happen. For the dollar it seems to not remember our names and gets lost on the way home. However, the average life of a "fiat" currency is about 27 years so with that as a benchmark the "greenback" has had a very good run – car or no car. Mike Derbidge

Eastern Idaho Chapter had a Breakfast at Dixie's Diner, August 6th. It was well attended, with several bringing there cars.

The weather cooperated, the breakfast was great and it was nice to have a enjoyable time with great people. It was nice to have Kathy Schwanzenberger attend this function, we miss Greg.

We want to thank Joy Eagle for setting this up for us and bringing her granddaughter for us to meet. Editor

Originated March 2, 1963, became ~ Eastern Idaho Chapter of the Veteran Motor Car Club of America October 1, 1966

Chapter Presidents & Newsletter Editors

Eastern Idaho chapter has made arrangements for our Regional meeting at Maddox restaurant in Brigham city on Oct. 8th at 11:30 AM. We have only 2 hours for the meal and the meeting so please be there ready to be seated at 11:30. If you have anything to be brought up at the meeting please contact me soon to have it on the agenda.

At this time we have had no suggestions for nominations for Regional officers. Those currently serving are getting tired, so it's time for others to step up. Presently 4 out of 5 of the current officers are from the Utah chapter, that is not good for the Region or the chapter. We need representation from all chapters.

Terry Anderson Director

Would you like to receive this newsletter in Full Color? If you have an "E-Mail Address" please send it to me and I will add you to the "Growing List" of satisfied colored N L recipients. With the US Postage going up each year this would help this chapter put this money to a better use.
