President's Message

We had a very successful swap meet and car show on Father's Day weekend!! My thanks go out to Larry and Clyde Christian, Lynn Erickson, and Joy Eagle. They didn't do it alone but they were key to organizing the weekend's events. Thanks to all who helped in terms of all their efforts – serving in the kitchen, buying swap meet space, parking cars, setting up signs, setting up, taking down and donating pies and purchasing pies for sale.

Judyth and I had a very successful meeting with the VMCCA Board at the Billings Montana Chrome Glidden. I presented the general information of our "Drive Me to the Moon" Western National Tour. The Board unanimously approved the tour, the date and the most importantly the location. We received a lot of positive feedback on our "Drive Me to the Moon" tour. The general consensus was that we should be able to fill the 100-car limit. I'm still the conservative one and would prefer to hold the budget at 75 cars. In sum, we are now fully and formally approved to hold our tour as we have planned. Thanks to all of you for your help and support because without it I could not have made a successful presentation. I will provide more details at the July chapter meeting.

BTW-The Billings Chrome Glidden had 63 cars registered. They met their limit on cars and accommodations so we should as well.

Meeting Highlights – 6/12/12

President Mike Derbidge conducted the meeting and secretary Joy Eagle took minutes. May minutes were accepted as read. Visitors – Mike Ikard and Larry Christian's grandson Kyle also attended.

Richard Staten from the Snake River Speedway attended to invite 4-5 original cars to participate in the Car Show at the 110th anniversary of the Eastern Idaho State Fair.

Market Lake Clean-up – Marty & Ann Littleton – Well Done!

2012 Swap Meet – Larry Christian – About 6 inside and 6 outside spaces are still available. We will start laying out spaces early tomorrow and allow trailers in at 1 or 1:30. Joy says the kitchen is going well. We may have help with the traffic and the Sports Car Club will be attending.

Drive Me to the Moon - 2013 75th/50th Anniversary VMCCA Tour – Mike Derbidge –Mike will be presenting the tour at the regional meeting in Billings. The budget is set for 75 cars with an opening for 100 cars to attend.

Regional Officers – Nominations are open. Local Officers – Nominations are open; we need a president – anybody interested? Arm twisting proceeded.

Regional Tour – Motoring Along the Oregon Trail – September 5-8, 2012 Contact Dee Bair 435-258-2906 or normcanfield@carthink.net. Only 2 cars have signed up so far – we need to support this event! It will be worth it to stay in the Anders Hotel!

Mountain River Ranch – Memorial Day Event – Gary Schwartzenberger – Bad weather for driving, but a nice event while the car show was happening.

Thanks to Doug & Rhonda Schwatrzenberger for bringing great treats!

Swap Meet and Car Show

This year's Swap Meet and Car Show was a rousing success. The swap meet vendors stayed busy, the weather was great, and we had Tautphaus Park full of cars. Many thanks to Larry and Clyde Christian, Lynn Erickson, and Joy Eagle for their leadership and organization.

1934 DeSoto Airflow
Owned by Mike and Judyth Derbidge

Car of the Month

This month's car is Mike Derbidge's 1934 DeSoto Airflow. I asked him for a few details on the car.

"My father and I retrieved this car from Franklin Idaho in 1967. It was restored in the early 70's and has been maintained and driven a lot over the last 40 years. Judyth and I enjoy the responses we get from those who have never seen a Desoto or an Airflow--most people think it is a foreign made car. We have taken the car on several Glidden, Western National, and Regional tours. It is a pleasure to drive. The picture was taken on our Regional Teton Valley Rendezvous Tour."

The chapter is looking to reduce costs – we will **discontinue** sending hard copies of the newsletter to members that have not paid dues for the current year. We will send the newsletter via e-mail to anyone interested. If you have an e-mail address please send it to the Newsletter Editor (jpack@pintlar.com).
