President's Message

Fellow Cruisers:

Fall is here with the beautiful leaves turning into a rainbow of colors and crisp air blowing through our windows. There were deer in my backyard today eating the apples that fell out of my tree and that reminded me of the apple squeeze and the other activities the VMCCA has planned for the next few months.

Even though the days are getting shorter doesn't mean we can't get together for fun times to share our passion for vintage cars.

Hope to see you at some of the upcoming events.

Happy Motoring,

Larry

Market Lake Cleanup

We appreciate all those that helped with the Market Lake Wildlife Management Area cleanup. The weather was superb and Ann and Marty Littleton brought great treats for all to enjoy!

Apple Squeezin Photos

Although the weather was damp to downright wet, the Engine Play Day and Apple Pressing was a success!
