## Blast from the Past - July 28-31, 2007

Ten years ago, the Eastern Idaho VMCCA Chapter hosted the annual Regional Tour in Montana. The tour started in Dillon and the first day made a loop from Dillon to Wise River, through the Pioneer Mountains to the Grasshopper Inn for lunch. Then the tour went through Bannack State Park for some ghost town viewing and back to Dillon.

**Bannack City Hotel**

The next day, everyone packed up and drove from Dillon to Three Forks. There were lots of things to see on the way, with stops in Twin Bridges for the Montana Mad Hatter, Silver Star to look at old mining equipment and Whitehall for antique shops. Once everyone got checked into the Sacajawea Hotel, it was off to the Headwaters of the Missouri for root beer floats and a history lesson on the formation of the Missouri River.

**Scenic View with some of the Tour Cars**

The last day was a tour through the rolling hills to Harrison, Ennis and Virginia City, a historic ghost town that was also the site of the farewell banquet. Virginia City had over 10,000 residents in its heyday and was the territorial capital in 1865.

It seems that everyone had a great time and enjoyed the southwest corner of Montana, with its unique towns, scenery and people.

The Hot July Nights have us ready for the Hot August Nights!

The Cody Western Heritage Tour is only days away. It should be a great time.

Right after Cody is the Great Eclipse event. Idaho Fish & Game has asked that we move our Fall Market Lake Cleanup to just after the eclipse because they are expecting a large crowd and lots of trash. We'll be discussing when to do this at the August meeting and will need as many members as possible to help.

Tour and view the eclipse safely!

Bob
