President Bob Shilkett conducted the meeting and Secretary/Treasurer Joy Eagle took the minutes.

Minutes for the April Meeting were read, amended, and approved, and a treasurer's report was not given.

Warning to all Members - the National VMCCA officers and our local email has had activities asking for money to be transferred. This is a scam - never send information without confirming the source.

Old Photos of Club Activities - Sam Otero brought some old photos and magazines for people to enjoy and take. It was fun to see so many faces that we have been missing.

Market Lake Clean-Up - May 6th, 8 a.m. - Mark and Diane Schwartzenberger - Meet at Mitchell's Restaurant. It was noted that we also have the Clean-Up in September. The old sign has been replaced with Vintage in place of Veteran and the old sign was given to Ann and Marty Littleton as a thank you for many years of arranging this activity.

- We would appreciate any treats that you like to make at the Swap Meet, but if you don't cook a donation would be welcome to help us earn money for our scholarship fund.
- Celine Shilkett (208-520-7501) will be calling for scheduling workers in the Club Booth and for treat donations.
- We will have a club booth set up again this year with chairs and applications for new members, it is a great place to sit and visit with friends.
- Dawn is working with the Post Register on a club history, noting scholarships and ways that the club bring people together. It should be in the newspaper the week before the Swap Meet.
- Brian Edgerton would like to have space for the hit-or-miss engines.
- Sam Otero is helping with a scooter for Larry Christian at the Swap meet.
- We will mark car show spaces with chalk this year.

## Market Lake Cleanup - May 6

EIVMCCA has cleaned Market Lake for many years as a club activity, once in the spring and another in the fall. The Fish and Game posted a sign (Adopt a Wetland with our name at the bottom) to show that our club is helping to keep the Market Lake Wildlife area clean. Marty and Ann Littleton ate the ones that started this as a club function. The club has kept it clean and will continue to do so in the future. A new sign was installed to address our club's name change.

The club presented the old sign to Marty and Ann Littleton, who were happy to have it.

Thanks to everyone who helped this spring to keep the wetlands at Market Lake clean.

See you in the fall!
